

WASP™ DROP OVER

Single Piece ADA Compatible Special Access Ramp

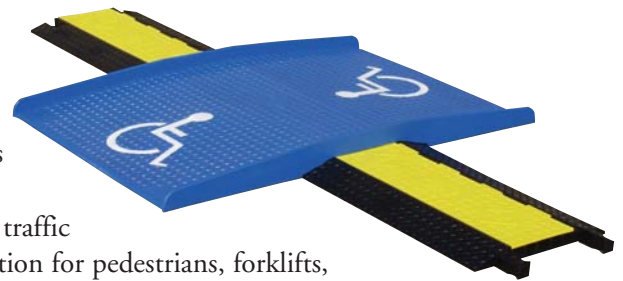

The **WASP** (*Walkway Access for Special Purposes*) **Drop Over** is the quickest way to provide an ADA compatible ramp for cable protector systems. The ramp system's one piece construction requires no assembly – just drop it in place. The WASP Drop Over (WASP DO) provides a single width ramp for wheelchair, cart, forklift and pedestrian access.

WASP Drop Over is compatible with Yellow Jacket® Classic, Bumble Bee® and select other four and five channel cable protectors.

**Drop-in-place,
ADA Compatible
Ramp for Cable
Protectors**

Easy Access for Wheelchairs, Carts and Forklifts

- 4.8 degree ramps allow easy access for wheelchairs, carts and dollies
- Rugged enough to handle forklift traffic
- Slip resistant surface provides traction for pedestrians, forklifts, wheelchairs, golf carts and other carts with small wheels

Fully ADA Compatible

The WASP DO is fully compatible with all ADA guidelines including ramp angle, avenues of approach, slip resistance and non conductivity.

One Step Installation

- Simply drop the WASP DO over 4 or 5 channel cable protector systems (1.25" diameter channels)

Displays Universally Recognized ADA Symbol

- Each ramp incorporates the universally recognized ADA symbol

Compatible with Yellow Jacket Classic and Bumble Bee

The WASP DO is compatible with the following 4 and 5 channel cable protector systems:

- Yellow Jacket® (YJ5-125 and YJ4-125 models)
- Bumble Bee® (BB5-125 T and BB5-125 D models)
- Other 4 and 5 channel cable protectors (1.25" diameter channels)

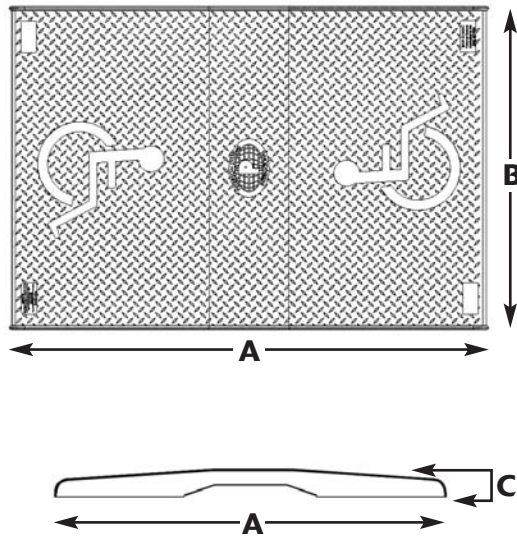

Excellent Durability

- Made from Durathane™ – a proprietary cast molded polyurethane. It has superior tear and abrasion resistance, and dynamic load bearing properties. Durathane is field proven in over 20 years of use.
- Resistant to oil and solvents
- Highly impact resistant
